Dear Sir:-

I have your ~~order~~ <sup>order of</sup> July 1st for one silver copy of our Peace Medal. I am very sorry that our circular did not make clear that the copies in silver, through an action of our Council, may be had by our members only.

I note that you purchased a copy of our medal commemorating the visit of the British and French War Commissions and I am wondering whether you would be willing to permit me to propose your name as an associate member of our Society. The annual dues are only Five dollars and your support would be greatly appreciated. You would then be entitled to subscribe to any future medals we may issue and notice of them would be sent you at the time of their publication.

I am taking the liberty of enclosing an application card. If you can see your way clear to signing and returning it I shall be able to send you the Silver Peace Medal without delay. I enclose a brief circular describing our Museum.

Very respectfully yours,

Two enclosures.

Secretary.

I am a member of the Netherland

many Hollanders in this Country and at  
the present time I am interested in  
a man who has lived here for the past  
25 years and a citizen of the United States

This gentleman is a man over 60 years of  
age and has received a good education  
and has been especially interested in  
literary work. If you could do anything  
for him I would appreciate it very  
much.

Dear Sir:

In reply to your letter of May 10th,  
I would suggest that you have the man, about  
whom you write, call upon us here with regard  
to a possible opening, but I beg to state that  
there is but small chance of being able to  
make use of his services.

Very truly yours,
